

Our Response to COVID-19

INFORMATION FOR ALL HOME SHOPPERS

For 30 years, Hopewell has been committed to the health, safety and well-being of our home buyers, partners and employees. While we closely monitor the status of COVID-19, we recognize that this is a time of uncertainty for many. Despite this uncertainty, we continue to stand by our vision of creating the spaces and places where people love to live and to do our part in contributing to flattening the curve of the COVID-19 virus while maintaining an operating business.

We have closed our sales centres and show homes until further notice, in alignment with essential services recommendations by the Province of Alberta.
